From: Nancy Doody <ndoody15@gmail.com>

Subject: Great American Insurance Group/USDF Region 1 Dressage Championship and Virginia Dressage Fall Competition

Virginia Dressage Association (VADA) Sponsorship Team

Nancy Doody / ndoody15@gmail.com / 540-395-4434

Nancy Lowey / nlowey@rocketmail.com / 540-672-3454

The Virginia Dressage Association (VADA) will be hosting the "Great American Insurance Group/USDF Region 1 Dressage Championships and VADA Fall competition" on 8-11 October 2020, at the Virginia Horse Center, Lexington, VA. It will be under vastly different circumstances from the previous years. It will be the ultimate goal by the competition management to provide a safe environment for competitors, judges, volunteers, and staff by complying with COVID-19 protocols. VADA has made modifications aligned with USEF/USDF, State, and Virginia Horse Center guidelines for the October 2020 show format. There will be a limited number of vendors inside/outside with proper social distancing, an online show program, no spectators, wearing masks are required, and a limited hospitality venue. To review/print the GAIG/VADA Fall Competition 2020 Sponsorship Opportunities brochure, please [Click Here](#).

In July, VADA hosted "Dressage at Lexington" with tremendous success. We had over 200 competitors thrilled to be back showing. The Virginia Horse Center did an extraordinary job ensuring a safe environment. Everyone entering the horse park was required to complete a COVID-19 waiver, daily temperature check at the front gate, and grounds cleaning. There were a total of 6 vendors present, that commented how well the show was orchestrated under the new guidelines, felt extremely safe, observed competitors taking everything in stride in the new normal and wearing masks, and sales were profitable. It is our hope those vendors who were reluctant to participate in July will reconsider attending in October. The online show program was well received and readily available to all competitors with a click on their phone. Take a look at the [DAL Show Program](#). The ads were very vibrant and advertiser's/sponsors website links embedded in the show program.

The deadline to submit the GAIG 2020 Sponsorship Agreement is 14 September. If you are interested in becoming a sponsor, please reply to your intent to Nancy Doody (ndoody15@gmail.com). Sponsorship Agreement forwarded to Nancy Lowey, 10062 Barnetts Ford Road, Orange, VA 22960, with a check payable to Virginia Dressage Association by the deadline.

To discuss sponsorship and ideas not outlined, please do not hesitate to contact the VADA Sponsorship Team. Stay safe and healthy. Hope to see you in October!

Warmest Regards

Nancy Doody and Nancy Lowey

Fall Clinic, General Membership Meeting and Discussion with Lehua Custer, L Graduate with Distinction

We are very pleased and happy to announce that our Fall Clinic will take place on Friday-Sunday, October 2-4, 2020, followed by our General Membership Meeting on Sunday, October 4, 2020 at 1 p.m.

This is a great time for our clinic as weather will be cooler and we will be preparing for Championships and fall shows.

Our Clinician and Guest Speaker for our General Membership Meeting will be Lehua Custer, L Graduate with Distinction. The topic of our meeting will be: Overcoming Fears and Obstacles in Riding! This discussion will include active participation from the audience. Please be prepared to ask questions or share experiences if you so desire.

About Lehua:

Lehua worked and trained with the legendary Olympian, breeder, Judge and Trainer Hilda Gurney at Keenridge for 10 years, after being offered a job at her first lesson. During that time Lehua started countless horses, trained many up to FEI and she earned all of her USDF medals. Her incredible journey with FJ Ramzes began before he turned one and she has solely developed him. For the last two years, the talented pair trained with US Team Coach, Debbie McDonald, for preparation for international Grand Prix competition. She is currently riding with Ali Brock with hopes to represent the US in the very near future. This team is certainly one to watch and even Carl Hester mentioned he'd want to have FJ Ramzes in his barn!

Lehua teaches students of all levels and ages with a special interest in helping riders ride their own horse up the levels and push past any mental barriers. She truly has a "you can do it!" optimism. Her students have enjoyed many successes to include Regional Championship victories! Lehua particularly enjoys the experience of training non-traditional breeds to FEI. Lehua competed at National competitions in both Dressage and in Arabian breed divisions. A horse she purchased one day after birth, is now a licensed stallion and won the 2019 3-year old Colts and Geldings class at Dressage at Devon. The pair was invited to the USDF Young Horse Prospect Forum in 2020 and were extremely well received. This exciting duo is set to take the Young Horse classes by storm!

This is an exciting opportunity to ride with a USDF Certified Instructor who also holds a B.S. in Psychology.

Other accolades:

- USEF Developing Riders List
- 2x Carol Lavell Advance Dressage Prize Winner (\$25,000 Grant from The Dressage Foundation)
- USDF Finals 3rd Level Champion

Clinic will be held Friday and Saturday, from 8 a.m.-5p.m., Sunday from 8 a.m.-11 a.m. with General Membership Meeting on Sunday, October 2, from 1 p.m.-3 p.m.

As always, rides are scheduled on a first come, first served basis. Please submit all entries no later than Friday, September 11, 2020 for the clinic. Please also RSVP for the General Membership Meeting no later than Friday, September 18. Please do not wait to RSVP as early responses really help in the planning process.

If you wish to enter, please follow this link for clinic entry form: https://storage.googleapis.com/wzukusers/user-34964955/documents/62afaeb8d28847f48e142d4d5e37907d/SVDA%202020%20Clinic%20Entry%20Form%20-%20Custer.pdf?fbclid=IwAR22L59eXcw34-SIXaC2YshSjAAxEZeCTJnjCiLCS_YncoCSZGN82tg2eMc

Event has been created on the SVDA Facebook page. The link to the entry form is also posted in the body of the Facebook invitation as well as on the SVDA website.

The event will be hosted by Laura Gladden at Seahorse Run, 2733 Whaleyville Blvd, Suffolk, VA 23434.

This is a lovely location with a large covered arena, outdoor arena and plenty of space to warm-up prior to your ride time.

Thank you Laura Gladden for hosting this event for us again this year!

We will also need volunteers to assist with this clinic. This is a great way to get some hours toward year end awards!! Please email me if you wish to volunteer for this event lorahowgib@gmail.com.

At this time of COVID-19 we still expect to be following social distancing and all guidelines that apply to any SVDA event/show. General Membership Meeting is expected to be in the covered arena (weather permitting). Please bring a chair. Lunch arrangements will be made based on COVID-19 status at that time, more information to follow as we get closer to the event.

We look forward to seeing you all!

More information on why SVDA need your Coggins

This month I am revisiting an article I penned a couple of years ago about the report SVDA is required to submit to the Virginia Department of Agriculture & Consumer Services (VACS) confirming that all horses participating in our events have a current negative Equine Infectious Anemia test, commonly known as a Coggins test, on file with us. Please remember that if you bring a non-participating horse, companion horse, or a horse you're getting acclimated to traveling and the new experience of shows, SVDA needs a copy of their Coggins as well. The barns where we hold our shows and clinics are counting on SVDA to ensure that **all** horses coming onto their property for our shows have a negative Coggins.

We have had a few horses whose Coggins lists someone as the owner other than the person we know is the owner. When I submit the report to the state, we have to list whoever is notated as the owner on the Coggins as the owner. Sometimes the state follows up and checks these reports against what's on file and they have the authority to come to an event and require us to produce the Coggins for all the horses our show participants bring onto the barn property.

As an aside, if you trail ride on state property/parks Virginia VACS or park officials can require you to present your horse's Coggins. They will accept an electronic copy so it might be good to upload that to your smart phone. Here's what the state says: *"Horse owners do not need to carry the certificate with them while riding. They can keep the certificate in their vehicle or trailer, but owners may be required to produce one for a parks official, and having it on hand may avoid potential inconveniences."*

Also, the name of the horse on the entry should match the name on the Coggins. The Coggins form has multiple fields for the horse's name, i.e. registered name, barn name, etc. Please ensure that your vet has all your horse's names and that they are all entered on the Coggins. This is helpful to SVDA and to VACS.

When you get your new Coggins please take a few minutes and upload it to the SVDA database through the portal on our website. Go to <http://southeastvirginiadressage.org/home/> place your cursor on More on the top menu and a drop down menu will appear, click on Shows, under Schooling Show Forms click on Upload your Coggins Here, fill out the information and use the browse button to find your Coggins certificate on your computer, enter it and then click submit and you're all done. If you find this confusing or have problems, do not hesitate to contact me (penlandr@cox.net or 757-965-6349) and I will try to provide clear, and hopefully, intelligent help.

I hope you find this informative and it answers any questions you might have. Below is the Virginia regulation:

2VAC5-70-20. Testing Requirements for Horses Exhibited at Shows, Fairs, or Other Exhibitions, or Coming into Contact with Horses Owned by Others in Virginia.

All horses assembled at a show, fair, race meet, or other such function, or participating in any activity on properties where horses belonging to different owners may come into contact with each other in Virginia, must be accompanied by a report of an official negative test for equine infectious anemia. The test shall be conducted by an approved laboratory on a sample taken by an accredited veterinarian or a State-Federal Regulatory Veterinarian within 365 days prior to such event or activity. The person in charge will ensure that a copy of the official negative test results accompanies each horse in the event or activity, and shall make such reports available for inspection by a representative of the State Veterinarian upon request. The person in charge shall exclude any horse which is not accompanied by a negative test report.
