Achievements

Melissa Jamison and Oran V

A toothless horse at age 23, that originally dumped everyone, and I got him for free.

He'd fiercely rear and have to be led into the ring. He and I really have a partnership thing.

As I've struggled and struggled because I move so much. Traveling with the military puts a damper on riding goals and such.

This year we got a shot at our goal. All we needed was a little nudge and I just so happened to get the right judge.

We got our last score for our Bronze without any qualms. It brought a tear to my eye because our bond together in the ring cannot be denied.

It's been a great military assignment and our stars this year were in alignment.

MINUTES SVDA meeting sept 10, 2019 TELECONFERENCE:

Attendance: Kathy, Toni, Charlene, Beth, Pinky, Carol, Joanne, Sandy, Janice, Robyn, Evelyn, Cookie
Sandy motioned to approve the July minutes, Pinky 2nd – all approved.

VADA Rep:

Volunteers needed for CBLM in Lexington – get your 8 hours volunteer credit towards VADA year end. Minutes sent for the newsletter

Schooling shows: Pinky has put forth a tentative schedule for schooling show for 2020 in conjunction with other large licensed shows.

I would like to add a November show if we could get an indoor. This is just a working list. If you see any problems please speak up.

Championship Schooling show: We will be having a pizza party on Saturday afternoon before our championship show and a costume class during the lunch break on Sunday. Beth is working on getting the contract with the Wakefield facility. Marie is running a svda sanctioned show on Sat and will leave her ring up for us to use on Sunday.

JUNIORS \$130 concessions proceeds from July SVDA show at Terra Ceia. Mailed in check in July for \$260 which includes all of the concession proceeds for Juniors this year. Still need to mail in the \$50 donation. Made \$140 at July Paint Night and \$190 at June Paint Night for a total of \$330 for Juniors.

Need a total from Treasurer for the fundraising and account balance for Junior Team.

Did not do concessions as August SVDA Show at Seahorse Run. Planning concessions for September SVDA Show at BWEC.

Planning baskets for Chinese raffle at SVDA Championship Show.

Would like to have Junior team go to the Chapter Challenge in Lexington, date TBA most likely in August, 2020. I think it would be good to alternate licensed and Chapter Challenge for the Junior team competition to control costs and based on location.

SCHOLARSHIP REPORT: SVDA paid out \$170 to Karen Barnard & \$140 to Joanne Smith in July for their scholarship. Dahlia has completed hers and will write up an article and submit her receipts

Hodges order is in and trying to get in touch with Hilton about menu. May look into different venues next year because of multiple changes in Hilton mgmt. and difficulties with communication but reasonable pricing is important. The rest of awards report will be done after banquet. Carol to set up membership table separately. No theme. Jessica Stallings is helping with auction again this year.

CLINICS and PROGRAMS – Proposed fix a test could be anytime of the show season .

Currently have 20 rides scheduled for Donna Gatchell clinic on January 11 and 12 at Happy Valley, Suffolk, VA. Subject to change as entries are not closed as of yet. Missing entries from several folks who expressed interest. Hope to update at meeting on Sunday.

Rate is \$110 for Donna Gatchell per lesson plus mileage, \$10 haul-in to Happy Valley, insurance to cover property and rider, \$5.00 per ride. SVDA contribution is \$20 toward each ride and coverage of insurance costs. So total cost to members is \$105

Proposed General Membership meeting date Sunday, November 1 . Will shoot to have a fall clinic separate from the meeting will shoot for the fall clinic the same weekend as the already scheduled membership meeting in order to take advantage of the regularly scheduled clinician.

The board agreed that a Fix A Test is useful any time of year and the fix a test doesn't have to coincide with the Championship Schooling Show. Other planned clinics would include a spring clinic in March/April.

Two Low Cost Clinics spring and fall and a Fall Clinic October/November based on date availability.

Investigating summer clinic to include clinicians, workshops for horses and riders, personal coaching and development possibly at Wakefield. Essentially mini-summer camp for members.

Contacting clinicians requested by SVDA members for open dates, availability and rates

Memorable Moments

Courage

Hannah Stallings

She's only 8 years old but very bold.

She rides some naughty ponies and even though she's at her wits end, those ponies are her best friends.

sometimes she gets them around the ring and sometimes she gets dinged.

She's been bucked off coming down center line, but she brushed herself off and smiled like she didn't mind.

They ended up getting the cutest pair at juniors but no one else could compare!

She's bolder than most but would never boast. We owe her gratitude for never having an attitude.

The willingness to confront uncertainty or intimidation is an honorable attribute for an 8 year old to boot!

She never gets discouraged, and simply exudes the meaning of courage.

YOU CAN GET A SVDA EDUCATION SCHOLARSHIP OR RECEIVE FOUNDATION FUNDING!!!!!!

Memorable Moments

Tera Ceia

Dahlia Jensen

Oh Tera Ceia! Momma Mia! As we traveled around the track there was no looking back. We were doing training level test two and my nerves were about to come unglued.

As we started the canter, Diesel got a little jolt and decided he was going to bolt like lighting, and my whole body started tightening.

He kept getting faster and faster, I thought I was going to need a pastor.

The crowd stood in awe, and from what I saw my trainer almost had a heart attack, when Diesel just about knocked her off the track.

We almost made newsletter headlines, but I got him back under control and he was given some guidelines.

He may have been a little T-U-R-D, but he wasn't going to get the best of me.

We did another test and he showed me a little zest. When the test was through, I couldn't believe we got a blue.

PRIX CAPRILLI TESTS

A Prix Caprilli, named after the great Italian rider who was the father of the modern forward seat for jumping, is a dressage test with jumps included.

The tests have the same movements as a preliminary/novice dressage test and include the requirement for horse and rider to trot and/or canter over single jumps.

The judges will judge this test the same as a normal dressage test that includes technical marks for the movement, impulsion, submission and riding.

The emphasis is not the jumping style of the horse, it is on the horse's relaxation, obedience and evenness of pace.

It is a dressage test that happens to have jumps in the way and the jumps should not disrupt the standard performance expected in a dressage test.

It is worth thinking about the riding style you will adopt over the jumps as you will need to establish a position over the jumps that assists the horse in freely jumping over the jump without any resistance.

Practice at home in your own dressage arena before the day. It's something different to the normal dressage test and a bit of fun. Why not have a go!

This test is an encouragement test and there for the trotting / canter stage is optional to the rider but you will get scored higher in the canter than trot for giving it a go.

Let the judge know what option you take before the test so they can mark you correctly.

Snickers

Haley Wyles

It's our first time heading to the horse trials. Snickers and I would be doing some miles.

We've become quite the pair which at my age is kinda rare.

We've had a blast this summer and he makes my little heart flutter.

I hope we have many more years to come because riding him is so much fun. Snickers is the horse I will always endear. I will remember him throughout my teenage years.
